Martinez provides a powerful voice on the front lines of a global youth-led environmental movement. At the early age of six, Martinez began speaking around the world, from the Rio+20 United Nations Summit, to addressing the General Assembly at the United Nations. Martinez is breaking onto the scene, not only as a musician, but also as an activist, fashion model, philanthropist and cross-cultural icon.

We Rise: The Earth Guardians Guide to Building a Movement that Restores the Planet
Beginning with the empowering story of the Earth Guardians and how Xiuhtezcatl has become a voice for his generation, We Rise explores many aspects of effective activism and provides step-by-step information on how to start and join solution-oriented movements. With conversations between Xiuhtezcatl and well-known activists, revolutionaries, and celebrities, practical advice for living a more sustainable lifestyle, and ideas and tools for building resilient communities, We Rise is an action guide on how to face the biggest problems of today, including climate change, fossil fuel extraction, and industrial agriculture.
